25th Edition
palm
EXPO 2016
China

PALM Expo 2016 is now open for RESERVATION!

Palm Expo, the largest and most established international exhibition on professional audio, light, music and technology in China, is back for the 25th edition. Last year, we welcomed over 550 exhibitors, over 8 halls at China International Exhibition Center, at the very center of China.

Join Us in September 2016 in Beijing, to boost your business and reach the thriving Chinese & Asian markets.

Book your stand now, to secure the best location!

Why Exhibit at PALM Expo?

- Understand the fast-growing Chinese market
- Introduction and entry to one of the world's largest economy, to enjoy the tremendous growth potential
- China's largest and most established international exhibition on Pro Audio, Light, Music and Technology - to keep you updated with the industry's development and trends!
- Meet and network with industry professionals
- Grow profit, win new businesses, generate leads!
